# Applying Online

**T**he Church Educational System (CES) has developed a Web site packed with important information—the ultimate site for LDS high school students and their parents. Some of what you’ll find is shown below.

The screenshot shows the BeSmart website interface. Callouts on the left side point to: 'Admissions Information' (top left), 'Register Your E-mail' (middle left), 'Find a BeSmart Fireside Near You' (bottom left), and 'Register for Especially for Youth' (bottom left). Callouts on the right side point to: 'Apply for Admission/ Check Application Status' (top right), 'Links to Church Schools' (middle right), and 'Locate an Institute of Religion Program' (bottom right). The website content includes a navigation menu, a central banner with a group of students, and buttons for 'BYU', 'BYU IDAHO', 'BYU HAWAII', 'LDS BUSINESS COLLEGE', and 'CREATE YOUR NET ID'.
